Original sin Wikipedia

Original sin, also called ancestral sin, is a Christian belief in the state of sin in which humanity has existed since the fall of man, stemming from Adam and Eve's rebellion in Eden, namely the sin of disobedience in consuming the forbidden fruit from the tree of the knowledge of good and evil. This condition has been characterized in many ways, ranging from something as insignificant as a

JavaScript syntax Wikipedia

with the suggestion that the preceding statement be terminated with a semicolon. Some suggest instead the use of leading semicolons on lines starting with '(' or '[', so the line is not accidentally joined with the previous one.This is known as a defensive semicolon, and is particularly recommended, because code may otherwise become ambiguous when it is rearranged.

Who Says Homosexuality is a Sin God Didn't Say That

Who says homosexuality is a sin? The NLT does, right there in its "translation" to Leviticus 18:22: "Do not practice homosexuality; it is a detestable sin." But that's not what the Hebrew says, and I've put the word "translation" in scare quotes because I think that what the NLT has here is an interpretation, not
