The Lantern Bearers by Rosemary Sutcliff Goodreads

If Eagle of the Ninth is the story of learning that there's no going back, The Lantern Bearers is the story of struggling to find a way forward. Except instead of Marcus, with his "kingfisher summer" of friends and quintessential resilience, we have Aquila, by far the darkest, brooding, and least nice of Sutcliff's heroes.

Lantern Bearers PathfinderWiki

The Lantern Bearers were founded after elves returned to Golarion from their refuge in Sovyrian in 2632 AR. Under the Winter Council's corrupted influence, however, their goals became prosaic: the containment and eradication of their people's most shameful secret, the existence of the drow and the corruption process known as the Dark Fate.
