Cosonok's IT Blog ONTAP 9 1 Syslogging Best Practices
The previous post covered How to Setup Syslog from NetApp in ONTAP 9.1+ . My best practice would be just to use syslog for forwarding of the command history log (audit log), since that s what I see syslog as best made for - i.e. keeping an audit of every login, every SET API runI ve never thought of syslog as a tool for monitoring for say failed disks.
