THE EYE OF THE MINDS

RELATED BOOK :

The Eye of Minds The Mortality Doctrine 1 by James Dashner
The Eye of Minds is about action and plot. SAO is about feelings and story. They have completely different atmospheres. Also, the 'game' system of SAO is more explained and focused on than that of The Eye of Minds (hence why huge SAO games exist). It seems that I prefer SAO over The Eye of Minds, and I do, but I still recommend The Eye of Minds as a view into what the future could be.

The Eye of Minds The Mortality Doctrine Book One
The Eye of Minds was very different from my usual reads: it's about high-intensity virtual gaming. I'm not a gamer, but I still really enjoyed this unique, imaginative, thrilling book. Michael is a gamer, and not just any gamer; he's an expert hacker.

James Dashner The Mortality Doctrine Series
The Eye of Minds is the first novel in the Mortality Doctrine series set in a world of hyperadvanced technology, cyberterrorists, and gaming beyond your wildest dreams . . . and your worst nightmares. Michael is a gamer. And like most gamers, he almost spends more time on the VirtNet than in the actual world.

The Eye of Minds The Mortality Doctrine Book 1 Book Review
Michael, the protagonist of The Eye of Minds, is brave, resourceful, and loyal to his friends. He's also impulsive, sarcastic, and unhealthily obsessed with online gaming, but those flaws give his character additional depth.
