DEVELOPMENT OF LIFESPAN

RELATED BOOK :

Periods of Development Lifespan Development
Periods of Development. So while both an 8 month old and an 8 year old are considered children, they have very different motor abilities, social relationships, and cognitive skills. Their nutritional needs are different and their primary psychological concerns are also distinctive. The same is true of an 18 year old and an 80 year old, http://ebookslibrary.club/download/Periods-of-Development-Lifespan-Development.pdf
