Trousers Wikipedia
The Korean word for trousers, baji (originally pajibaji) first appears in recorded history around the turn of the 15th century, but pants may have been in use by Korean society for some time.From at least this time pants were worn by both sexes in Korea. Men wore trousers either as outer garments or beneath skirts, while it was unusual for adult women to wear their pants (termed sokgot

Trousers as women's clothing Wikipedia
Trousers (British English) or pants (American English) first appear in recorded history among nomadic steppe-people in Western Europe.Archaeological evidence suggests that men and women alike wore pants in that cultural context. However, for much of modern history, the use of trousers has been restricted to men.
